

**BECOME AN EDITOR  
FOR THE 6<sup>TH</sup> WORLD WATER FORUM'S  
OFFICIAL DAILY NEWSLETTER**

**WIN AN ALL INCLUSIVE STAY IN MARSEILLE**

The 6<sup>th</sup> World Water Forum is the the major international event on water management. This edition will be hold in Marseille from March 12<sup>th</sup> to 17<sup>th</sup> 2012. International stakeholders from the water and sanitation sector will meet and discuss the whole week about the 21<sup>st</sup> century's water issues, calling for the **"Time for Solutions"**.

The Forum is looking for young professionals\* **covering the event day after day.**

**You are graduate, between-jobs or active young professional? You master both English and French?**

*\*Doctors and PhD students are also accepted. YP have 2 to 10 years experience*

**Become a volunteer editor and win a free all inclusive stay for the Forum!**

*Includes international and local transportation, visa fees, accommodation, and food from March 9th to 17th 2012*

Supervised by professional journalists, you will meet water and sanitation experts, attend the debates, enjoy privileged interviews with professionals : it is the best way to network!

You will also receive a journalism training session day and will be staying at the young professional hostel with Projection's YP delegation.

**A unique immersion  
in the heart of the  
6th World Water  
Forum**

**TO PARTICIPATE**

**please send us your resume with a short presentation of yourself in english before January 22<sup>nd</sup> 2012 to:**  
**[marseille2012@reseauprojection.org](mailto:marseille2012@reseauprojection.org)**

**HOW TO GET IN THE NEWSLETTER'S TEAM?**

**Step 1:** Pre-selection based on your specialty, actual situation and english/french capacities, according to the documents you sent to us. Between-jobs candidates will be privileged. Strong english-writing skills are needed.

**Step 2:** An online test will be proofed at the end of january. It will consist in a time limited synthesis of documents about one water and sanitation's topic. Pre-selected candidates will receive an e-mail detailing the information related to the exercise.

**Projection is a network of young professionals working in access to basic services in urban areas in developing countries.**

*Thank you all for your interest,  
Projection network in collaboration with  
the International Forum Committee*
